

Glory Days Kicks off Walk for Shea Fund-Raising

Wednesday, April 09, 2008

A fund-raiser at Glory Days Grill in Centreville last Thursday, April 3, yielded \$2,700 for the upcoming Walk for Shea. Stone Middle School seventh-grader Shea Megale, 12 1/2, has SMA (spinal muscular atrophy), a form of muscular dystrophy.

Each year, a special walk raises money toward finding a cure. As a kickoff to this event, Glory Days donated a percentage of its food profits, the evening of April 3, while Shea's friends and relatives enjoyed food in a festive atmosphere.

The 11th annual Walk for Shea is Sunday, April 27, at 9 a.m. in Centreville's Virginia Run community. Register at www.walkforshea.com.
